

## UNITED STATES

Thanks to CWS donors through their local CROP Hunger Walk, community gardens in the U.S. receive the seeds and tools they need to grow fresh food and nourish their neighborhoods.

Scan this QR code to watch the video.

## GEORGIA

For years, CWS Tools donors have supported bee programs in Georgia and beyond. Thanks to you, families are buzzing with opportunity—growing hives, harvesting honey, and building a sweeter, more sustainable future.

Scan this QR code to watch a sweet video that shows the incredible impact of your support—you're helping families thrive in ways that are truly un-bee-lievable!

## HONDURAS

With tools provided by CWS donors, Oscar now grows bananas, corn, chili peppers, cassava, papaya, and pineapple—diversifying his crops and creating a more stable future for his family.

## UNITED STATES

With the help of our dedicated donors and volunteers, CWS Kits and Blankets are shared with our neighbors in need at just the right time.

Scan this QR code to see how your donations help deliver CWS Kits and Blankets to families across the U.S.

## TANZANIA

Since joining CWS' Vegetation program, Penda has grown a beautiful garden to feed her family. She also helps her neighbors grow their own food.
