tools and livestock

Growing more food.
Building stable incomes.

**Improving
Nutrition**

18,652

people participated in
nutrition programs

Healthier meals.
Stronger families.

**Equipping
Communities**

89,475

people now have the tools
to grow food and provide for
their families.

Building lasting stability.

.....
From Garden to Table: In CWS-supported communities, families are growing food, sharing meals and caring for one another.

Together, it adds up

Small acts. Shared generosity.
A growing Harvest of Hope.

Together, CWS programs respond to food insecurity—globally and here in the United States.
