

CWS TOOLS

Tools Today, Food for Tomorrow

Hope begins with the right tools. Through your generosity, families gain access to seeds, tools and even chickens—empowering them to grow their own food and build a sustainable future, both in the U.S. and around the world.

Every shovel, garden tool and watering can is a blessing in the hands of those working toward a better future.

When you support CWS Tools, it's more than a donation—it is a way to live out your faith, ensuring that our most vulnerable neighbors have the tools they need to cultivate hope and nourishment.

Join other generous donors and help families reap a Harvest of Hope:

- \$10** Provides 200 seeds to grow mango trees, offering families a sustainable source of nourishment for years to come.
- \$20** Provides five chickens to a family, ensuring a steady supply of fresh eggs and a path to reliable income.
- \$36** Provides seeds for two families, helping them grow food, build self-sufficiency and create a brighter future.
- \$55** **Garden Starter Kit.** Equip a family with a shovel, rake, seeds and a watering can—the essential tools to plant, nurture and grow a thriving garden.

Join Others in Sharing *Love and Hope*

"Because of your generosity, families have the tools they need to grow their own food and build a better future. I have seen firsthand how this program transforms local communities—empowering people to nourish their families and create lasting change. Thank you for making a difference!"

- Gabby Parrish, Seed to Feed, Elkhart, IN

When you support CWS Tools you:

Provide Immediate Solutions

Connect with Other People of Faith

Follow Christ's Example

God of hope and promise, we pray that these gifts of tools and seeds will provide a harvest of hope, nourishing communities and sharing your love far and wide. Amen.

Donate today! Give cash, write a check payable to CWS Tools or visit cwstools.org/donate

"For God satisfies the thirsty and fills the hungry with good things."

-Psalm 107:9
